

Dear Friends,

I hope that you and your loved ones are all alive and safe. All our thoughts and prayers are with heroes who fight for Ukraine's future and freedom by defending, volunteering, or supporting this great country where we live and work.

We're launching the AmCham Ukraine Survey "Doing Business during War in Ukraine" to understand the current state of business and identify more ways to help and support you. **I will be very grateful if you can spend four minutes answering eight questions.**

All gathered information will be generalized by the American Chamber of Commerce in Ukraine without an individual company or personal attribution. No person and company in summarized results will be disclosed. Please reply by COB tomorrow.

On a separate note, I want to share our [#StandWithUkraine](#) page with daily updates on how you can help Ukraine and Ukrainians during this significant time of need.

Stay safe. Слава Україні!

With my sincere best wishes,

Andy Hunder  
President
