Andy Hunder
President of the American
Chamber of Commerce in Ukraine

“Ukraine is open for business. Amid hardship, companies continue to operate, invest, create jobs, and pay taxes, not because it is easy, but because it is right. The country is clearly shifting the paradigm from Ukraine as a charity case to Ukraine as a business case. With reconstruction unlocking new sectors and scale, Ukraine stands as one of the most compelling opportunities for American and international businesses.

IN HONOR OF THE 25TH ANNIVERSARY OF THE AMERICAN CHAMBER OF COMMERCE IN UKRAINE

FROM THE PRESIDENT OF THE UNITED STATES OF AMERICA

June 1, 2017

Greetings and warm congratulations to the American Chamber of Commerce on the celebration of its 25th anniversary in Ukraine.

The relationship between the United States and Ukraine has never been more important. We stand together as partners in Ukraine's efforts to strengthen democratic governance, root out corruption, and attract foreign investment. In the midst of profound political, economic, and social change, the American Chamber of Commerce in Ukraine has been a steadfast advocate for our shared values and has helped promote American exports and create jobs at home. Your hard work strengthens our countries' economic partnership and directly contributes to the prosperity of both the United States and Ukraine.

I recognize the dedication of all who have made the American Chamber of Commerce in Ukraine such a success. Thank you for your role in promoting our shared vision of a free, peaceful, and prosperous Ukraine. Best wishes on your 25th anniversary and in all your future endeavors.

10 PRIORITIES FOR UKRAINE’S ECONOMIC RECOVERY

- 1
- Ensure Ukraine’s national security and defense, in cooperation with international allies.
- 2
- Accelerate Ukraine’s membership in the European Union by approximating national legislation in competition, customs, healthcare, IPR, media, and other spheres.
- 3
- Implement rule of law, real and effective judicial reform, fair justice, ensure a transparent selection of judges at all levels. Adhere to the independence of the National Bank, the Antimonopoly Committee, and the anti-corruption agencies. Reform state-owned enterprises and state-owned banks.
- 4
- Liberalize labor legislation and implement social security policies, including voluntary health insurance, that encourage people to live, work, and invest in Ukraine.
- 5
- Adapt and drive balanced monetary, fiscal, budgetary, and debt policies to set the basis for the rapid economic growth. Ensure sufficient political risks insurance coverage for investors through cooperation with leading global financial institutions as well as a private insurance market. Develop the capital market infrastructure.
- 6
- Re-build and modernize Ukraine’s vital infrastructure (ports, health and education facilities, waste management, water & sewage supply utilities) based on international best practices in attracting financing, modern urban architecture and design solutions, and transparent privatization and concession procedures.
- 7
- Foster country-wide digitalization and IT ecosystem growth. Secure investment, property rights, level playing field, and proper IPR enforcement.
- 8
- Introduce a predictable and attractive tax regime for job creators and bona fide investors. Guarantee transparent, timely, and full VAT refund for exporters.
- 9
- Boost international trade and ensure supply chain security via free access to seaports, building customs and border guard infrastructure capacity, as well as ensure long-term market access opportunities with international trade partners.
- 10
- Strengthen Ukraine’s energy independence and security through developing renewable energy and increasing domestic gas & oil production, as well as integration with European energy market.
